NO QUIBBLE QUALITY GUARANTEE: RETURNS SERVICE

We want to make sure that you are 100% satisfied with your order. Therefore, if for any reason you are not happy with your purchase, our No Quibble Returns Service means that we will refund any item returned in an unused condition: unworn, unaltered, with all tags attached and in their original packaging.

All items are quality checked on return. If an item is returned to us damaged, worn, or in an unsuitable condition, we may be unable to accept it back and it may be returned to you at an additional cost.
